Join ESTHER for a potluck supper followed by a community conversation discussing fairness, justice and equity. We'll be exploring questions like these:

- What does it mean to treat people fairly?
- How does lack of fairness arise in a community?
- What does a fair community look like? Who benefits from it?

**What you can expect:** After our potluck, we'll hear a brief reflection and follow with small-group conversations about these topics. You will walk away with a better understanding of your community and the people who live here, and you'll be able to explore opportunities for fairness, justice and equity.

**These events are free and open to the public.** We invite each household to bring a dish to share for the potluck. **Questions?** Email us at: [office@esther-foxvalley.org](mailto:office@esther-foxvalley.org) or give us a call at 920-843-8083.
