

# *What's at the heart of immigration for you?*

**You are invited to a conversation on Immigration**

With a special performance by **Voices of Hope Readers' Theater**

Immigration has become a flash point in our politics. It is highly personal for a wide variety of reasons. This conversation is an opportunity to just listen to each other's experiences around this issue. Increased understanding can be a foundation for better relationships and even solutions.

**Tuesday, February 26, 2019**

**6:30 – 8:30 PM**

**Memorial Presbyterian Church**

803 E. College Ave, Appleton
