

# Treatment Instead Of Incarceration

**Monday, May 8<sup>th</sup>, 2017**

**5:00 PM - 6:15 PM**

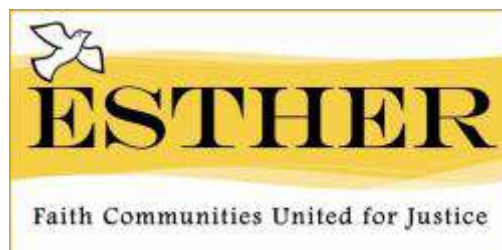

**St. Mark's Lutheran Church**

*140 S Green Bay Rd., Neenah*

ESTHER is hosting a public event and has invited State Representative Michael Schraa to present his WISGREAT plan, which is an intensive alcoholic treatment pilot project.

The proposal is designed to increase access to treatment for violators of Act 371 that was passed last year related to 4<sup>th</sup> offense and higher OWI's. The WISGREAT plan will allow an individual to maintain their job while in treatment. We believe addressing addiction will reduce recidivism, keep families connected, and will ultimately make the community safer and healthier for all. Those successful at completing treatment would serve the remainder of their sentence under community supervision, instead of prison.

**This event is free and open to the public.**
