Summer 2016

Dear Community Supporter,

ESTHER is an interfaith, nonprofit organization that works to impact areas of poverty and oppression affecting the lives of families and individuals in the greater Fox Valley. We work with people of faith, individuals facing the issues we are working to change, and supportive community partners to act on core values and build a better community for all.

We are asking you please to consider placing an ad in our 12th annual program book!

The program book for our 12th Annual Banquet, scheduled for Sunday, November 13, will report on ESTHER's work and showcase the valued community partners who share our vision for a more equitable community. Our banquet keynote speaker will be Dee J. Hall from the Wisconsin Center for Investigative Journalism.

The annual program book, containing your ad, will be given to all who attend the banquet and will be available at all member congregations. ESTHER will also distribute these books to community and business leaders throughout the year. Your advertisement is an investment in the work of ESTHER and an opportunity to feature your business in the community.

We are asking for your continued support of the good work of ESTHER and of the vision of a community of people working together for the common good. By advertising your business with ESTHER, you are joining other voices and efforts to build a just and equitable community in the greater Fox Cities.

The advertisement order form with price list is attached. An ESTHER representative will follow up with you shortly. We look forward to receiving your support.

Sincerely,

Fr. Joseph Mattern
ESTHER President
