Dear Community Supporter,

ESTHER is an interfaith, nonprofit organization that works to address areas of poverty and oppression that affect the lives of families and individuals in the greater Fox Valley. We involve people of faith, individuals facing the issues we are working to change, and supportive community partners to act on core values and build a better community for all.

We are asking you please to consider placing an ad in our 15th annual program book! The program book for our 15th Annual Banquet this coming fall will offer an opportunity to showcase the valued community partners who share our vision for a more equitable community.

This year's banquet on November 4 will feature **Leonard Pitts, Jr.**, as keynote speaker. He is a journalist, commentator, lecturer, and best-selling author who was awarded the 2004 Pulitzer Prize for Commentary as well as numerous other professional awards, before and since. Tavis Smiley called him "the most inspiring and insightful columnist of his generation." Pitts is also in high demand as a speaker, has two novels to his credit, and has been a visiting professor at, among other universities, Princeton and George Washington.

The advertisement you place in the ESTHER annual program book will be distributed to all who attend the banquet and will be available at all ESTHER member congregations. ESTHER will also distribute these books to community and business leaders throughout the year. Your advertisement is both an investment in the work of ESTHER and an opportunity to feature your business in the community.

We are asking for your continued support of ESTHER's work and vision of people joining together to lift up the common good. By advertising your business with ESTHER, you are joining other voices and efforts to build a just and equitable community in the greater Fox Cities.

The advertisement order form with price list is attached. An ESTHER representative will follow-up with you shortly. We look forward to your support.

Sincerely,
