This mural project is sponsored by LUNA, a youth group that works to strengthen leadership skills, build positive relationships, and addresses issues that impact Latino youth. LUNA is a project of ESTHER, an interfaith nonprofit that works to impact issues of poverty and injustice in the greater Fox Valley area.

What would YOU say?

If you could paint just one message to your community, what would it say?

We are inviting **high school and college students** to participate in a **mural project** that will work to build bridges between immigrant and non-immigrant youth. There will be two relationship building gatherings for students to get to know each other (lunch included). Students will meet to design the mural in September and will paint the mural design in September through October. Students can paint as their schedule allows. This will be a large traveling mural, all painting will be done indoors.

LOCATION: Emmanuel United Methodist Church, 740 East College Avenue, Appleton. Bridging Gatherings and painting will be done at this location. (See Mural Timeline)

FOR MORE INFORMATION: Contact Stephanie Gyldevand, (920) 216-0891, esther.foxvalley@gmail.com. There is no cost to participate. Adult advisors will be present for all meetings and painting sessions.
