

EARTH DAY

ELECTION EDITION

Saturday, October 22
Pierce Park Pavilion | Appleton, WI
12:30-2:30pm

MUSIC | KEYNOTE SPEAKER | MARCH

Let's make climate the hot topic this election by celebrating Earth Day in October, because the Earth deserves more than one day a year!

Join us and other local organizations to learn what you can do about climate change. Listen to some music from **Christopher Gold**, followed by a keynote speaker, **Ligia Rivera**. Learn about the League of Women Voters of Appleton Fox Cities' two-year study on local climate impacts and adaptations for our communities' climate resilience. We will end with a march across the Memorial Drive Bridge and back to Pierce Park!

*This event is co-sponsored by the following nonpartisan organizations:
Citizens' Climate Lobby-Appleton/Fox Cities,
ESTHER Environmental Justice Task Force,
League of Women Voters-Appleton/Fox Cities and PopEarth*
