

Walk in our Shoes

Understanding the Latino Experience

Thursday, November 21th, 6:00-9:00 pm
St. Therese Catholic Church, Appleton
213 E. Wisconsin Ave., Appleton

The *Walk In Our Shoes* Latino simulation experience is designed to help participants begin to understand what it might be like to live as a typical Latino in our community. It is a simulation, not a game. The object is to sensitize participants to the realities faced by area Latinos.

The event is free and open to the public, but space is limited. Registration is required; see below about how to RSVP.

This simulation was developed through the support and efforts of ThedaCare's Community Health Action Team (CHAT), ESTHER, and dedicated individuals in our community.

RSVPs are required in advance. To ensure your spot in the simulation, please email the date you plan to attend to latinosimulation@gmail.com
