Bus departure times and 3 locations (in Appleton, Neenah, Oshkosh) will be announced soon. We will gather at 9:00 am at the Wisconsin Masonic Center (301 Wisconsin Avenue, Madison) and then march to the Capitol.

The morning plenary includes speakers to renew our energy and focus. We will also hear about Costly Reconciliation, Radical Inclusion, Living for the Seventh Generation, and Brothertown asking for tribal recognition. During our afternoon legislative visits from 1-3 pm, we will talk about our budget recommendations of more funding for TAD, Driver's License for immigrants, funding for lead abatement and expanding Badger Care. The day ends with snacks and a brief review and report back.
