ESTHER is an interfaith, nonprofit organization that develops leaders, engages people, and builds collective power in the Fox Valley. ESTHER works to address systemic economic and social injustices and works for more equitable communities that embrace diversity. Please visit our website at esther-foxvalley.org for more information.

For many years, we have held a Silent Auction each fall, typically as a part of our annual celebration in early November. Through this annual auction we raise funds for the work we do while offering auction participants the opportunity to purchase useful and exotic items and experiences for themselves or to give as gifts. This year, our **auction will be held online** from November 4 through November 7, with preview beginning on November 1.

Would you please consider donating an item, a gift basket, or a gift certificate for ESTHER's 2021 auction. Your generous donation will not only help ESTHER, but also showcase you as a valued partner who shares ESTHER's vision for a more equitable community.

P.S. Due to the pandemic, ESTHER has rescheduled its 18th Annual Banquet to Sunday, February 6, 2022. Our banquet theme this year is **“Bridging Our Differences.”** Our keynote speaker will be former Milwaukee police officer Pardeep Kaleka. His father was killed in the mass shooting at the Sikh Temple in Oak Creek, Wisconsin, in August of 2012. He is a founder of Serve 2 Unite and co-author with Arno Michaelis, former white supremacist, of *The Gift of Our Wounds*.
