

# Solitary Confinement in Wisconsin

IT'S INEFFECTIVE, IMMORAL, DANGEROUS AND VERY EXPENSIVE!

**“On any given day, 1400-1500 Wisconsin inmates are locked in a 6’x12’ solitary confinement cell, 23 hours a day, sometimes for years.”**

ESTHER is hosting a life-size replica of a solitary confinement cell at UW-Fox Valley during the week of **October 5th-9th**. Three events will be held (listed below) throughout the week.

The cell is open (at no cost) for the public to experience from 10:00am-8:00pm on October 5th-7th (Mon-Wed) and again on October 9th (Friday).
