

DAY WITHOUT LATINOS & IMMIGRANTS

Thursday, February 18

Stop racist and anti-immigrant legislation that endangers our community and separates our families

10am: mass mobilization at the Capitol in Madison

In 2006 the community defeated the Sensenbrenner bill HB 4437 b

We need similar action to defeat AB 450 y SB 533

- AB 450 would have police act like Immigration agents
- SB 533 would block local identification cards in Milwaukee and statewide
